

RULES, REGULATIONS & GUIDELINES

Exhibitors shall abide by all rules, regulations and guidelines as set forth in the exhibit contract and exhibitor service kit, and any materials sent. Violations may result in adjustments on-site.

AGE LIMIT IN EXHIBIT HALL

No one under 18 years of age is allowed into AVN Adult Entertainment Expo (AEE) and AVN Novelty Expo (ANE).

ANIMALS

Animals other than guide or service animals are not permitted in the convention center except in conjunction with an approved exhibit, display or performance which absolutely requires the use of an animal. Permission for any animal to appear in a booth must be approved by Show Management and the Virgin Hotels Las Vegas. Exhibitors are responsible for obtaining all appropriate permits and insurance.

ANNOUNCEMENTS

Show Management reserves the right to make public address announcements in the exhibit hall for conference sessions, meetings and other official events, or in the event of an emergency. No unauthorized announcements or advertisements will be allowed.

BADGES & REGISTRATION

Badges are required for entry into the exhibit hall at all times. Exhibitors at AEE & ANE are entitled to an allotment of Complimentary Exhibitor Badges based on the square footage of their booth.

For security reasons, EXHIBITOR STAFF/TALENT badges are only for personnel requiring special floor access privileges in order to set-up/work the booth and carry exhibit product to/from the show floor. We ask exhibiting companies to carefully review their badge request form. Badge swapping and the sale of badges are strictly prohibited. Violation of this policy may seriously affect an exhibitor's further assignment of space or right to exhibit at future events. All badges are the property of Show Management and must be surrendered upon request.

REMINDER: Please do not schedule meetings with customers in your exhibit booth during move-in/move-out or before/after show hours.

CARTLOAD SERVICE

Cartload Service for exhibitors who drive in their own materials in small passenger vehicles will be available. An order form for this service is available in the Shipping & Labor section of the Las Vegas Expo kit.

CHANGE OF SPACE

Show Management shall have full authority to vary, alter or relocate the space assigned to an exhibitor if such change is for the common good of the AVN Novelty Expo & AVN Adult Entertainment Expo 2026 or if the exhibitor fails to observe any rule. Show Management shall have the final decision as to any such change in space, which shall be binding on the exhibitor. Such change shall be at the exhibitor's expense if a continuing factor thereto is the result of the exhibitor's act or failure to act.

CONDUCT OF EXHIBITORS

The following rules apply to all exhibitors exhibiting at AEE & ANE 2026. All Exhibitors MUST sign and return the "Rules of Conduct" form located in the mandatory forms section of the service kit, to be able to exhibit at this event. All rules listed on the Rules of Conduct form as well as those listed below will be strictly enforced. Exhibitors violating any sexual conduct rules will be immediately shutdown.

The following adult and/or sexual content cannot be shown electronically or visually via signage, graphics or live:

- No nudity of any kind on the show floor, registration, lobbies, special events, meeting rooms and/or seminar rooms, including but not limited to exposure of genitalia or female breasts (areola or nipples), pubic hair, cleft of buttocks or anus
- Any type of sexual penetration, including fellatio, cunnilingus, digital penetration, vaginal or anal penetration of any kind. Penetration of any kind may not be shown.
- No sexual contact or behavior (real or simulated), including, but not limited to penetration of any kind, simulated sex of any kind, or fondling of breasts (whether or not covered), buttocks or genitals, no lap dancing
- No ejaculation, defecation, urination, lactation or any presence of any bodily fluids
- Pedophilia including videos, films or graphic images that involve or suggest any kind of pedophilia
- Nudity involving individuals under the age of 18 years
- Any sexual conduct with animals
- Fisting
- Snuff movies
- All individuals must be properly clothed. Nipples, genitalia and the buttocks must be covered at all times. No flashing.
- No smoking anywhere on the show floor, registration, lobbies, special events, meeting rooms and/or seminar rooms

Absolutely no hard-core images of any kind will be permitted. All graphic rules apply to live conduct. Exposure of genitalia or breasts, inappropriate sexual conduct or behavior, any activity that would interfere with a neighboring exhibitor's ability to conduct business cannot take place in the aisles or any public area connected to the show. Show Management and Hall Management have the right to review and approve all videos, artwork and/or product being displayed in the show.

The following points relate to your responsibility to control the behavior, decorum and dress of the talent signing or working in your booth:

- Make sure talent is properly covered up at all times while on the exhibit floor. Nipples, genitalia and the buttocks must be covered at all times. No flashing.
- Have a sufficient barrier between talent and attendees (i.e. counter, table, etc.) for your talent's security. If you allow attendee/talent photos, set up a special area in your booth for it. It's easier to control if it is set up properly.
- All degrees of nudity and displays of sexual interaction, with regard to talent, are not permitted in the Exhibit Hall or in any areas of the Virgin Hotels Las Vegas.

DECORATIONS

Decorations are not permitted on ceiling, painted surfaces, columns, fabric and walls. Nails, tacks, gummed labels, or stickers and other similar materials may not be used on any walls, doors or columns of Virgin Hotels Las Vegas or the meeting rooms. No helium balloons or adhesive-backed decals, signs, etc. are permitted to be given out on the premises.

Exhibitors causing damage to the Virgin Hotels Las Vegas will be responsible for costs incurred to repair damages. No signs other than those furnished by Show Management may be placed outside of any exhibitor's space or in doorways or hallways of such space.

DEMONSTRATIONS

Demonstrations must be located so that crowds will be comfortably contained within the exhibitor's space, and not blocking the aisles. In the interest of safety and aesthetics, and to prevent congestion in common areas, exhibitors, exhibit personnel and/or live models in the employ of an exhibitor, must remain in the space assigned to the exhibitor and may not circulate or distribute materials in hallways, aisles, the registration area, public areas or hotels. Additionally, product, literature, display and promotional materials must remain in the exhibitor's contracted space and may not be placed, displayed or distributed outside of said spaces.

Exhibitors planning to have celebrities in their booths that will draw crowds **MUST** hire security to control said crowds and keep the aisles clear. If an exhibitor fails to control autograph seekers/crowds, Show Management will retain additional security in an attempt to manage the crowd at the exhibitor's expense.

Exhibitors may demonstrate product within their exhibit space provided that:

1. Demonstrations include products manufactured or distributed by the exhibitor.
2. Amplified demonstrations do not exceed 75 decibels.
3. Demonstrations do not exceed 5 minutes in duration.
4. Demonstration is for a potential buyer and not merely to attract attention.
5. Aisle in front of booth must be completely clear from obstruction.
6. All show "Rules of Conduct" apply when doing any type of demonstrations.

Flashing or glaring lights are subject to Show Management approval.

If a noise level complaint is registered with Show Management, the booth in question will be checked with an audiometer (sound meter). Audiometer readings in excess of 75 decibels will result in the issuance of one (1) verbal warning, and a notation made in the offending exhibitor's file. A second warning will result in the shutdown of electrical power to the offending booth, and a notation made in the exhibitor's file.

PLEASE NOTE: No DJs will be permitted in booths. Show management will provide an official show DJ in all exhibit areas

Show Management reserves the right to restrict or deny future participation of exhibits which, because of noise, method of operation, materials or for any other reason become objectionable, and also to prohibit or to remove any exhibit which may detract from the general character of AEE & ANE 2026 as a whole. This shall also include persons, things, conduct, printed materials, or anything of a character, which Show Management determines objectionable. In the event of such restriction or removal of exhibit, Show Management shall not be liable for any refunds or other expenses incurred.

DISPLAY VEHICLES

Show Management must approve any vehicle display. All vehicle or other apparatus which has a fuel tank and is on display at Virgin Hotels Las Vegas must have a locked gas cap, battery cables disconnected and one gallon or less of fuel in the gas tank. A vehicle display permit is required. Please contact Event Coordinator, Teri Hernandez for approval at teri@avn.com.

ELECTRICAL/PLUMBING/TELEPHONES

ENCORE Event Technologies is the exclusive supplier of these services; no outside contractor may be used. ENCORE performs all of the electrical and plumbing work in the facility. Exhibit electrical equipment must conform to ENCORE code requirements. To order these services and for additional information, please refer to the ENCORE section of this service kit.

EXHIBIT DISPLAY RULES & REGULATIONS

The following booth display rules and regulations will be strictly enforced.

Standard/Linear Booth is typically in 8'x10' increments, and shares a common back wall and abuts other exhibits on one or two sides. Booth equipment consists of a rear back drape on an 8' frame and two 3' side rails, carpet, 6' table, 2 chairs & waste basket. No exhibits may exceed the height of 8' without written approval from Show Management. The maximum height of 8' is allowed only in the rear half of the booth space, with a 4' height restriction on all materials in the front 5' of the booth space. Exhibitors must conform to the size of their space and must not obstruct the view of or interfere with other exhibits. Note: hanging signs are not permitted over standard/linear booths.

Perimeter Booth is a standard/linear booth located on the outer-perimeter wall of the floor. All guidelines for linear/standard booths apply except that the maximum back wall height is 15'. Note: hanging signs are not permitted over perimeter booths.

Peninsula Booth is typically 16'x20' or larger and is surrounded by aisles on all four sides. Height restriction for booth is 15', no exceptions. A peninsula booth is separated by an 8' drape, therefore full use of the space is allowed. However, dependent upon your booth design, show management may ask that modifications be made to ensure proper sight lines. Note: hanging signs are permitted above peninsula booths.

Island Booth is typically 16'x20' or larger and is surrounded by aisles on all four sides. Height restriction for booth is 15', no exceptions. An island booth is automatically separated by the width of an aisle from neighboring exhibits, therefore full use of the space is allowed. However, dependent upon your booth design, show management may ask that modifications be made to ensure proper sight lines. Note: hanging signs are permitted above island booths.

Hanging Signs & Graphics: Rigging points are limited within the exhibit space. Hanging signs & graphics above booth are permitted if there are rigging points above booth space.

Canopies/Ceilings: Canopies including ceilings, umbrellas and canopy frames can either be decorative or functional. Canopies for linear or perimeter booths must comply with line of sight requirements. The base of the canopy should not be lower than 7' from the floor within 5' of any aisle. Canopy supports should be no wider than 3". This applies to linear/standard, perimeter and end-cap booths.

Carpeting Primrose Hall, Agave Hall & Sage Hall are all carpeted. The Theater is non-carpeted. Ordering information can be found in the "Las Vegas Expo" section of this service kit.

Exhibitors will be asked to rearrange their displays if equipment or furnishings cause congestion in the aisles or interfere with other exhibits. If any back portion of the booth is unfinished and visible, such portion must be finished at exhibitor's expense so that it is not objectionable to other exhibitors. Any portion of the exhibit bordering another exhibitor's booth must have the back side of that portion finished and must not carry identification signs or other copy that would detract from the adjoining exhibit.

Show Management will strictly enforce the display rules & regulations, which were developed by the International Association for Exhibitions and Events (AEE) and are considered the industry standard. If you have any questions relating to these regulations, please call Teri Hernandez at 818-718-5788 ext. 112 for clarification.

Request for exhibit variances must be submitted for review and approval no later than December 3, 2024. Please contact Teri Hernandez at teri@avn.com or 818-718-5788 ext. 112. No requests will be accepted after this date or on show site.

Phone: 818-718-5788 ext 112

EXHIBITOR SERVICES DESK

The General Contractor (Las Vegas Expo) and the Official Suppliers and Services area will be located on show site.

FIRE AND SAFETY

Fire regulations are strictly enforced. Fire marshals will be at the show to ensure that all guidelines are adhered to. Violations may result in booth closure without refund. Please review the Las Vegas Fire Safety Regulations found in the Rules and Regulations section of this service kit.

FIRST AID

An emergency medical technician will be on site to provide medical services during the move-in, show days and move-out.

FOOD & BEVERAGE

Virgin Hotels Las Vegas is the exclusive provider of any food and beverage within the facility. Menus, policies and ordering instructions can be found in the Virgin Hotels Las Vegas section of this kit.

HAND CARRY

Exhibitors may “hand carry” materials to their booth provided they do not use material handling equipment including carts and dollies. Hand carried freight consists of lightweight materials that can be hand carried into the exhibit hall by exhibit personnel. When exhibitors choose to hand carry materials, they may not be permitted access to the loading dock/freight door areas. The use of carts, dollies, wheeled containers, mechanical equipment of any other material handling equipment is strictly forbidden.

EXHIBITOR FUNCTIONS

Exhibitors may not hold any functions (receptions, seminars, hospitality suites) simultaneously with any scheduled AEE & ANE 2026 event without written approval from Show Management. No public figures (performers, artists, talent, etc.) sponsored by exhibitors are to appear in any public space or in any of the official hotels without the approval of Show Management. Likewise, no tours or company functions are to be scheduled by any exhibitor during the official show hours, without the approval of Show Management.

INSURANCE

Exhibitors must carry worker’s compensation, commercial general liability including products and completed operations, independent contractors, personal injury and blanket contractual liability insurance at limits of at least \$1,000,000 per occurrence, \$3,000,000 aggregate.

It is strongly recommended that exhibitors also carry insurance to cover loss of or damage to their exhibits or other personal property while such property is located at or is in transit to or from the exhibit site. Show Management assumes no liability for any loss, damage or injury to any property of the exhibitor or to any of its officers, agents, employees or contractors, whether attributable to accident, fire, theft or any other causes whatsoever.

LABOR

The General Contractor (Las Vegas Expo) has contracts with various labor unions, which perform different functions at the Virgin Hotels Las Vegas. Order forms for decorating, freight handling, installation and dismantling of displays, etc. are included in this Exhibitor Service Manual, under the Shipping & Labor section. All exhibitors are required to adhere to the union contracts in effect between the General Contractor (Las Vegas Expo) and the various unions.

Virgin Hotels Las Vegas is the exclusive provider for the following services: compressed air, water and drain service, electrical service, food and beverage, hanging applications, internet services and telecom services. Order forms are included in the Exhibitor Service Manual under ***Las Vegas Expo and Virgin Hotels Las Vegas sections.***

Exhibitors are encouraged to take advantage of all move-in days to minimize overtime charges and ensure that your exhibit is ready when AEE & ANE 2026 show floor opens.

Exhibitors must abide by applicable trade union regulations that pertain to exhibitor personnel working on/in their exhibit location.

QUESTIONS? Contact Teri Hernandez
Email: Teri@avn.com
Phone: 818-718-5788 ext 112

NOTE: If you intend to use an Exhibitor Appointed Contractor (EAC), it is important that you review the information provided regarding EACs which can be found in the rules and regulations section of the service kit. You must complete the appropriate EAC notification form and submit that as well as an EAC certificate of insurance to AVN & LVE by December 02, 2025.

LOSS OR DAMAGE

Neither Show Management nor the General Contractor (Las Vegas Expo) shall be responsible for damage to uncrated materials, materials improperly packed, or for any concealed damage, loss or theft of materials, or any injury, loss or damage that may occur to the exhibitor or the exhibitor's employees prior to, during or subsequent to the period of AEE & ANE 2026. All exhibitors are urged to insure their merchandise and equipment.

MATERIAL HANDLING (DRAYAGE)

Material handling (drayage) is the unloading of your exhibit materials, delivery to your booth, handling of empty containers to and from storage and removal of your materials from your booth for reloading onto your outbound carrier. This is not to be confused with the cost to transport your exhibit material to and from the event. Las Vegas Expo is the sole provider of material handling/drayage services. Information including current rates and pricing can be found in the Shipping & Labor section of the Las Vegas Expo Services kit.

PARKING

Personal vehicles will be allowed limited time to load and unload as long as there is always someone with the vehicle. Vehicles left unattended will be towed. Any vehicle parking in front of the building, in a red zone or any zone labeled NO Parking, will be towed at the owner's expense. Overnight parking is available at the Virgin Hotels Las Vegas.

RETAIL SELLING

AEE & ANE 2026 allows the cash and carry sale of shirts, hats, logo apparel and Web site memberships during the event. The selling of "knock-offs" or unauthorized copies or imitations of copyrighted, patented or trademarked materials is not allowed. Business orders for future billing, payment and delivery are permitted on ALL products.

SECURITY

Show Management provides general perimeter security during move-in, show days and move-out periods of AEE & ANE 2026. Exhibitors are solely responsible for their own materials at all times. It is recommended that exhibitors remove any valuable items from their booth overnight or make provisions for the safekeeping of their own goods at all times before, during and after the show. No responsibility is assumed by Show Management or any of its contractors for merchandise lost or damaged. Security guards may be hired for your booth. To order security please contact Virgin Hotels Las Vegas – Event Manager, Beth Auten at beth.auten@vhlv.com.

The following are security suggestions to help prevent theft: Valuable items which can be hand carried should be removed at night; ship merchandise in locked trunks or crates; if cartons are used, be sure they are securely taped or banded; under no circumstances should you mark on the outside the name or type of articles contained inside; use a qualified carrier or forwarder; be sure to furnish accurate and complete bills of lading to the general contractor and the shipping company; do not leave your booth unattended or leave unpacked products visible during the set-up or move-out period; pack product as quickly as possible at the close of the show.

The General Contractor's responsibility for items left on the floor for pick-up does not begin until such items are actually picked up at the exhibitor's booth and terminates upon delivery to the forwarding carrier.

QUESTIONS? Contact Teri Hernandez
Email: Teri@avn.com
Phone: 818-718-5788 ext 112

SHARING BOOTHS

AEE & ANE 2026 is limited to companies that have contracted and paid for space assignment. No exhibitor shall assign, sublet to or share their assigned exhibit space with another business unless Show Management has obtained approval in writing. It is further agreed that actual occupation of the exhibit space by an exhibit is of the essence thereof, and that should the Exhibition Management be unable to affect the sale of the space as herein provided, the Exhibition Management is then expressly authorized to occupy or cause said space to be occupied in such a manner as it may deem in the best interest of the exhibition, without any rebate or allowance whatsoever to the exhibitor and without in any way releasing said exhibitor from any liability hereunder, and said exhibitor expressly agrees to pay the exhibition the full sum as herein set forth.

SHOW FLOOR ACCESSIBILITY

For security reasons, exhibitors must wear their badges to be permitted onto the show floor during move-in and move-out hours. Only exhibitor staff will be allowed on the show floor one (1) hour prior to show opening and may remain one-half (1/2) hour after closing each show day. No exhibitor product meetings will be allowed on the show floor during move-in and move-out hours. Do not schedule meetings in your exhibit space before or after show hours.

***REMINDER:** No one under the age of 18 will be permitted on the show floor under any circumstances.*

SPECIAL REQUIREMENTS

AVN Media Network is committed to helping you have a successful show and providing a pleasant working environment for all participants. Please let us know in advance what your special requirements are. Our team will be happy to help you meet your needs. For assistance, please contact the Operations Staff, 818-718-5788.

STORAGE

Virgin Hotels Las Vegas does **not** have storage space available for exhibitors. If you need to store empty boxes or crates, you may keep them in your vehicle or hire Las Vegas Expo to store them for you. You may order this service on-site. Your boxes will be returned to you when the show closes. Empty boxes cannot be stored in, under or behind your booth area because they are a fire hazard, and the Fire Marshall will be on-site inspecting the show.

TIPPING POLICY

Show Management, the General Contractor (Las Vegas Expo) and ENCORE request that exhibitors observe the NO-TIPPING policy, since tipping porters and other employees interferes with the efficiency of the work force and delays the set-up of exhibits.

VIDEO TAPING

Video cameras are not allowed on the Show Floor at any time.

WORKING THE AISLES

You are allowed to attract people to your booth and work with them in your area; however, you are not allowed to pass out information and/or advertise in areas other than your booth unless pre-authorized by Show Management. To highlight your company outside your booth, refer to the Sponsorship & Promotional Opportunities information. Solicitation of business or distribution of promotional materials from the show floor is prohibited by anyone other than Exhibitor.
